

Driver selection for Tandberg LTO 3 StorageLoader.

Tandberg LTO 3 StorageLoader has been verified in following environment:

OS:

Windows 2000 Server SP2 (build 2195)

Windows XP Pro SP2 (build 2600)

Windows 2003 Server SP1 (build 3790)

Backup Applications:

CA BrightStor ArcServe 11.5 build 4144

Veritas Backup Exec 10d, build 5629

Veritas Backup Exec 11d, build 6235

Yosemite Backup 8.1 (sp3a build 25782)

CommVault Galaxy 6.0.1

Additional Testing Results

NetWorker v. 7.3.1: The StorageLoader LTO3 has been tested on the following platforms in order to submit test-logs (self-qualification) for EMC NetWorker:

- Windows 2003 x86
- Windows 2003 x64
- Red Hat ES 4
- Solaris 9
- AIX 5.1

All tests passed (official approval pending).

Drivers:

For backup applications mentioned above drivers from the software vendor was installed. EMC NetWorker and Native Windows backup will need native Windows drivers.

For this use tdsafe.sys from Tandberg Data for the robotics and pick driver for the tape drive from this link:
